PASTORS RON AND HOPE

July 2017

## EMPOWERING

SONS AND DAUGHTERS

Pastors Ron and Hope's lives and ministry have been impacted and empowered by the spiritual fatherhood of Bishop T.D. Jakes. Bishop Jakes declares: "The way for our ministry to survive is predicated upon similar concepts. It depends upon, is even built upon, the principle of Father to Son. If we are to have any lasting effect, we must understand the significance of this relationship as it affects the Kingdom of God. All lasting works will only survive as we cultivate the power of a father to a son."

Pastors Ron and Hope began RMFI in 2001 with a vision and passion to empower as many sons and daughters for the kingdom of God as possible in their lifetime. Their hearts desire for you is captured by their words written in every RMFI brochure: "Our heart is for ministers and their families to be all God created them to be, so they can do all that God called them to do, fulfilling their destiny!"

All of us have the privilege of being blessed as a part of Pastors Ron and Hope lives and ministry, and to be empowered by God through them to fulfill our own destinies and ministries. Therefore, as Bishop Jakes declares: "...we must understand the significance of this relationship..." and rise-up as the empowered sons and daughters who will honor, celebrate, and bless Pastors Ron and Hope with our heart-felt words of appreciation and gifts, to make this their greatest Pastors Appreciation Day ever!

## Living Waters *NEW* Senior Pastor's Retreat

As a senior pastor for over 21 years of the “good, bad, and ugly,” plus over 17 more years ministering to Sr. Pastors through Redemption Ministerial Fellowship International, I am passionate about seeing Sr. Pastors live and minister in a lifestyle that is healthy and fruitful for them, their families, and their ministries! Therefore, it is with great excitement and expectation for you, that I recommend Living Waters (along with Pete Sulack, America's Leading expert on stress) Senior Pastor's Retreat.

## Pastor's Appreciation

A personal note from Bishop Paul

I want to invite you to join me in expressing our love for Pastors Ron and Hope and our great appreciation for all they do for us individually and for RMFI. Pastor Karyl and I are planning to honor and bless them with an appropriate card, personal note, and a financial gift. I would like to encourage every minister in our fellowship to do something special for them during this once-a-year "Pastors Appreciation Day." If you cannot visit with us on Sunday, July 16<sup>th</sup>, please send your cards, notes, and financial gifts and I will personally present them to the Pastors on your behalf (RMFI, Pastors Appreciation Day, 74 Byrdland Dr., Greenville, SC 29607).

Thank you for honoring our Pastors!

– Bishop Paul Gaehring
